Beatrice's 100th Birthday

A message from her family

Just a thank you very much to everyone for making my aunt's 100th birthday a very special occasion, with your visits, cards and presents. We do not have individual contact information for most of the people who visited so we would like to give our thanks to all her friends. She thoroughly enjoyed all the attention even if she could not

hear much of the conversation. We were not sure how many visitors to expect so the steady stream of people throughout the day was a pleasant surprise and kept Aunt Bee busy. She had a lovely day meeting everyone as did we.
