**Our new diocese – how's it going?**

*A message from Bishop Nick*

So much has been achieved since the Diocese of Leeds was created just two and a half years ago. Bringing together three very different dioceses was a hugely complex procedure, but we are all now part of a large, coherent body, whose benefits are being increasingly revealed.

The bishops and archdeacons are working closely with their areas, and the combined spiritual wealth of 656 churches, over 240 church schools and three cathedrals has brought increased creative energy.

We now have a central office in Leeds (complete with a charitable coffee shop that's open to all), a new parish share system, new governance and further delegation of authority from the diocesan bishop to the area bishops.

Some of the challenges we face include: getting the right balance between one diocese and the five episcopal areas, tackling the anticipated fall in clergy numbers, growing our churches and maintaining parish share. And it remains vital to reach children and young people with the Gospel in order to build future generations of strong Christians.

At the heart of all we do are the values captured in our diocesan strap line, 'Loving, Living and Learning'. It's a useful list to check against everything we do. What does that mean for you and your church?

*+Nick Baines, Bishop of Leeds*

**Loving, Living, Learning**

**We aim to:**

**Love** God, the world and one another.

**Live** in the world as it is, but, drawn by a vision of something better, we want to help individuals and communities flourish.

**Learn** when we get things wrong, by listening and growing together.

**Coffee Morning at St. Saviour's – next Saturday 18 February from 10am to 12 noon.** Do join us for the first coffee morning of 2017. As usual donations of cakes, scones etc would be most welcome. Come along and bring your friends.

**Women's World Day of Prayer** on Friday 3<sup>rd</sup> March is on the theme of:

'Am I Being Unfair to You?' The Christian women of the Philippines wrote the service. It has been translated into 1,000 different languages and dialects and will be used throughout the whole world, starting at sunrise over the island of Samoa, and continuing until sunset off the coast of American Samoa, including St. Matthew's at 2pm.

**Unwanted toiletries.** There is a need for toiletries to distribute to women who are rehoused in local refuges. There is a box at the back of each church for donations of small bottles of shower gel, shampoo, soap etc. All donations are appreciated. Helen

**Alpha Course.** Help still needed in the kitchen each Wednesday from 7.15.

**Revision of Electoral Roll for St. Matthew's church.** The current Electoral Roll is now on the inside door of the church. If your name does not appear, and you would like it to be added, please see Dorothy Senior.

**100 Club January Draw winners**

**Clergy meet with police and council officers** On Thursday last week Liz and I attended an event at the Cathedral for all clergy in our Bradford Area jointly with police and many council staff. The police presence was huge and ranged from the Chief Super' of the Bradford District to many PCSOs with every rank in between. The Inspector from every one of their five 'areas' was present. As the Bishop observed, it was a good day to rob a bank but a bad day to have a funeral! The chief Exec of Bradford Council was there, as were police ward officers, and council ward officers, council area co-ordinators and councillors. The speeches and conversations were about working together for the greater good of the communities we serve and it was humbling to experience the enthusiasm of all concerned to deepen relationships and to continue the conversations into the future. This is an example of the benefit of the new Diocesan Area system being based upon civic authority boundaries – the areas covered by Diocesan Episcopal Area, Police District, and Metropolitan Council are almost identical.
