More News from Inn Churches. Our work supporting people who need it the most doesn't just happen in winter. Through the year we have been helping more and more people suffering from benefit sanctions. We have made many referrals to food banks whilst people's benefit claims are delayed, as well as supporting individuals through the appeal process to ensure that they get the benefits to which they are entitled. Through our work as an Acts 435 participating charity, we have helped seven individuals to purchase essential household items which they otherwise had no way of obtaining. This has enabled them to move into their own homes, setting them up with the goods necessary to sustain their tenancies. We gave bedding and food parcels to a further 125 people through the Warm Homes Healthy People (WHHP) service, benefiting 300 people in extended households. We also provided around 120 starter packs to people moving from the streets into tenancies, containing essentials such as crockery, towels, bedding, a kettle and basic food supplies - and we're really grateful to Santa and John who, on getting married recently, asked for donations towards starter packs instead of wedding presents, meaning we have a full store cupboard to start the next season.

Autumn Lunch - Sunday 15th October. St. Saviour's are hosting a lunch after the service. This will be homemade soup and apple pie and cream. Donations for the meal will be for Christian Aid. Friends from St. Matthew's will be welcome. Please sign up on the list if you will be attending or ring June Thompson 01535 273787 so that we know how many to cater for. Thank you.

Fair Trade. Our Autumn Fair Trade event will be held in St. Matthew's on Saturday 4th November, 10am to 12noon. Save the date for some Christmas shopping!

Christmas is Coming - we hope to have arts and craft stalls at St. Matthews on Nov 18th. If you know anyone who would be interested in having a stall, please contact Jean Bastow on 272805.
