Bob Evans says "My situation seems to have changed dramatically. I am to attend St. James's Hospital Leeds on 26th April for cryoablation with Dr Wah. She hopes to destroy the largest tumour. Then the plan for the remaining 4 is to monitor them and decide on future action later. This feels so much better and I am so grateful for amazing medical technology and answered prayers."

Please continue to remember Bob and Suzanne in your prayers.

Thank you to all those who participated in and helped with the Holy Week and Easter services, all those who decorated the churches and provided and served refreshments on Easter Day. Thank you to all who helped to make the Maundy Thursday meal such an enjoyable occasion. It was a real team effort - and enjoyed by all who came from around the benefice. Thank you as well to all who helped at the Hot Cross Bun service, both by participating in the service and by providing crafts and refreshments.
