

Pentecost Sunday. 31 May 2020.

You will read in the service sheet that we are planning to hold a communion service on Pentecost Sunday, 31 May at 10am. It is to be a service where we hope that everyone will be able to join together and be connected. It is quite an undertaking.

The service is going to be held on the "Zoom" online platform. Many of you may be aware of it already and be used to how it works. It will allow us to truly join together in worship, to hear one another and to say the responses in the service together. When we send you the service sheet for Pentecost Sunday we will send you a link which you can use to join the service on the Sunday morning.

If you have not used Zoom before and would like to try it out then please feel free to have a go. Click on the link below between 1pm and 2pm on Monday 18 May, bring a cup of coffee and see how it works in readiness for the service at Pentecost. All you have to do is click on the link below.

When we hold the Pentecost Sunday Service, there will be people who are not able to access it because they do not have the equipment they would require. If you would be willing and able to phone one of these people and hold your phone to your computer they will be able to hear and join in too, making them able to be part of our united service. Please let us know if you would be so generous as to help with this and then we can allocate people together before the service.

Thank you and God bless you.

Richard
